**EYECARE IS
PREVENTIVE CARE**

EYE CARE IS ESSENTIAL.

Keep yourself healthy with a yearly eye exam from a VSP network doctor.

Did you know?

Eye exams provide an unobstructed view of the blood vessels and can help detect early signs of serious eye and health conditions like glaucoma, diabetes, high cholesterol, and high blood pressure.

- Nearly **88 million** US adults are living with **pre-diabetes** and **85%** don't know they have it.¹
- Early signs can be detected with an eye exam and regular eye exams can reduce the risk of diabetes related vision loss **by 95%**¹
